

RWT

SUPER VALUE SERIES!

Great Looks, Great Specs, Great Price!

The RWT is available in a variety of sizes, ranging from a compact 4' wide x 6' long, to a spacious 8.5' wide x 34' long. With other widths of 5', 6', and 7' wide, and a large selection of axle capacities, you're sure to find a model and size to meet your hauling needs.

A super selection of options allows you to customize your trailer for a variety of purposes. The RWT can be configured to do everything from construction work, to hauling your lawn tractor, to hauling the kids off to college, to hauling your motorcycle, ATV or even a car.

We've even got a "pull out tent camper option" that provides a 49" x 82" mattress that pops-out of the side of the trailer for the occasional camper.

The RWT will provide you with a versatile trailer that will provide you with years of service and won't break the bank!

**3 YEAR
LIMITED
WARRANTY**

Every trailer is backed by our 3 year Limited Warranty. Please see your dealer for details!

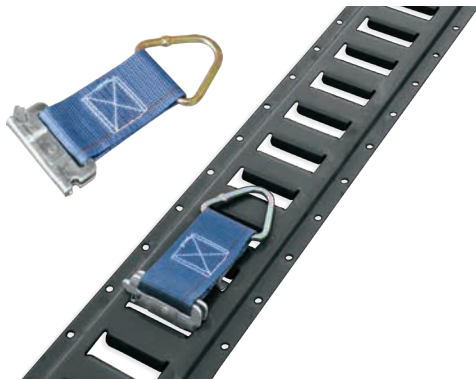

Shown With Optional "Flash Package", Mod Wheels, Screwless Metal and Ladder Racks
The "Flash Package" contains the 12" tall ATP on the sides and a flush RV door lock

Shown With Optional Screwless Two-Tone Metal, and Series 14 Wheels

E-TRACK WITH CLIPS

Be prepared to haul just about anything with the versatile E-Track System!

E-Track can be mounted in the floor or walls to your location specifications.

HEAVY DUTY D-RINGS

Secure your cargo and peace of mind with a set of our Heavy Duty D-rings. They are recessed in the floor to be out of the way, and are rated at 5,000 pounds capacity.

You can order your trailer with the D-Rings located to your specifications to suit your needs.

MOD

POP OUT TENT CAMPER

When you have more work than energy, take a quick nap in the Pop-Out Tent Camper.

The price is right and the location is always convenient!

8.5' Wide Now Available!

Be sure to check out our Car Hauler Package!

Shown With Optional Two-Tone Metal, RV Style Door, Series 14 Wheels, and Slope Nose

CAR HAULER PACKAGE FOR 8.5' WIDES

FEATURING:

- 16" On-Center Framing
- (4) Heavy Duty D-Rings
- "Beavertail" Rear End

The Beavertail is 2' long on 16' trailers and 4' long on longer trailers.

Note: A "Beavertail" is a sloped floor at the back of the trailer to make it easier to load your vehicle.

PLYWOOD CABINETS

Plywood cabinets take advantage of the space in the wedge nose of the trailer giving you a great place to store your gear and even a work area to boot!

Add the "Shore Line" option for power to complete the setup.

Note: Optional white walls and 110-volt outlet are shown.

WINDOWS
